Social and networking events are a core part of the GRS Meetings. The Social Program of the upcoming GRS 2022 will provide a unique experience for participants to enjoy the culture, history, hospitality and gastronomy in Halifax.

Halifax has one of the world's great natural harbors and a rich maritime history, which derives from its strategic location. In the 19th and early 20th century, Halifax was the entry point for European immigration to Canada. Today, Halifax is a busy Atlantic seaport and the economic and cultural hub of Eastern Canada.

This seaside town is dotted with red-brick heritage buildings, public parks and a landmark citadel, blessed with some first-rate museums, and home to a truly epic 4 km seafront boardwalk.

Above all, Halifax is a livable city: its small size, fresh air and easy-going lifestyle mean it scores high in quality-of-life tables. The nightlife and dining scene has come on in leaps and bounds in recent years: there are many craft breweries and local bistros, especially around the trendy North End.

Join us for a trip full of history, culture, tasty food and traditions!

Welcome Reception

Citadel Hill

All registered delegates are invited to this wonderful evening and have the opportunity to mingle with the other meeting delegates while visiting the most important historical sites and enjoying a typical food and drinks standing reception. We will be accompanied by a local piper.

All registered delegates can visit Canada's national museum of immigration, which occupies part of Pier 21, the former ocean liner terminal and immigration shed from 1928 to 1971. Pier 21 is Canada's last remaining ocean immigration shed.

After the guided tour the evening will continue with a cocktail and dinner reception inside the Museum.
