Social and networking events are a core part of the GRS Meetings. The Social Program of the upcoming GRS 2024 will provide a unique experience for participants to enjoy the culture, history, hospitality and gastronomy in Siem Reap.

Siem Reap is one of those places that caters to every taste. It's difficult to get bored in this ever-evolving city. The variety of cuisine, accommodation, shopping, modes of transport, and daily activities is quite astonishing for what is actually a relatively small – and new – city on the edge of the Tonle Sap lake.

Join us for a trip full of history, culture, tasty food and traditions!
