Dinner at Kanell Restaurant with Show

After the tour, the day continues with a wonderful dinner based on local, fresh and delicious Asian Cuisine. During the dinner you will be enchanted by heavenly **Apsara dancers** (traditional dance played by women, sewn into tight-fitting traditional dress, whose graceful, sinuous gestures are codified to narrate classical myths or religious stories) and a demonstration of the Cambodian martial art called "bokator".

The carvings at Bayon Temple show this ancient art what the world knows today as 'Thai boxing' and was performed in the ancient Angkor Kingdom.

Angkor Wat & Bayon Temple

You will explore the **Temples of Angkor Wat**, the largest religious building in the world.

Built by Suryavarman II in the early 12th century as a state temple and later mausoleum, Angkor Wat was originally an Hindu complex to honour the God Vishnu.

The visit moves on to the ancient city of **Angkor Thom**, surrounded by 8m high and 12km long walls, the city has been the last capital of the Khmer Empire.

Angkor Thom holds important monuments as the **Bayon Temple** that you will visit.

(Please note that the upper level of Bayon Temple will be closed for restoration until further notice. Your visit to the temple will include the lower levels and the marvellous bas relief carvings. It is also possible to see the iconic stone faces from a distance).
